

Linene Woods Spring Fling, 2014

The Linene Woods Homeowners Association held its 2014 Spring Fling at the Pisano home on April 6. The conversations were interesting, the food was excellent, and the weather was perfect.

Jim Mann contributed some of the tables and chairs, and Kim, Steve, and Patrick Pisano, and friends, got things set up in their spacious front yard. Everyone brought food; water, plates, and tableware were provided. We enjoyed venison sausage hors d'oeuvre while Steve Pisano grilled chicken. Then we sat down and ate. And talked. And ate.

We're already looking forward to our next neighborhood get-together.

Fewer than half of the attendees are shown here.
